  - **Tools:** Git, GitHub, Visual Studio Code, Figma, Adobe Illustrator
  - **Problem-Solving:** Creative Thinking, Critical Analysis, Project Management
  - **Other:** Digital Marketing Solutions, Client Communication, Database Administration
- 

## Experience

### Web Design Development Intern

*NarQuo | Remote | Jan 2025 - Present*

- Created the company's logo and corporate identity, aligning with its modern and edgy brand image.
- Developed a fully customized website, incorporating UI/UX principles to deliver a seamless user experience.
- Worked on branding, design, and development, providing a comprehensive online presence for the client.

### Fronted Programmer (Freelance, Remote)

*J-Tech Solutions | Calgary, Alberta, Canada | Oct 2024 - Jan 2025*

- Developed and optimized web-based tools and programs for small businesses in the marketing and technology industries.

- Collaborated with developers to meet specific client requirements and ensured smooth integration of digital technologies.
  - Gained hands-on experience in project management, programming, and client relations.
- 

## **Education**

### **Southern Alberta Institute of Technology (SAIT)**

*Web Design & Development | Sep 2023 - Apr 2025*

- Focused on web development, UI/UX design, and digital solutions for real-world projects.
  - Designed and implemented a database system to streamline client administration.
  - Currently working on a client project involving IT and digital solutions for the clothing and apparel industry, focusing on HTML, CSS, JavaScript, and database management.
- 

## **Projects**

### **IT & Digital Solutions Developer for the Clothing & Apparel Industry (Freelance/Student Project)**

- Designed and developed an IT system for a fabric and garment client, incorporating a user-friendly digital experience.

### **Design Studio 2 Course Project (100-Hour Client Work)**

- Contributed to the development of a comprehensive web solution, integrating front-end and back-end components with a strong focus on database management.
